

Biography

Speaker: Robert Nsamba

Position: Project Director

Company: Itezhi Tezhi Power Corporation (ITPC), ZESCO, Zambia

Robert Nsamba is a trained Mechanical Engineer with over 20 years experience in hydropower generation and Project Management. His work experience has been with ZESCO Limited, the Zambian National Utility Company and 21 months ago, he was seconded as Project Director to SPV, Itezhi Tezhi Power Corporation Limited, tasked with the development of a 120 MW power plant.

In ZESCO, most of Nsamba's time was spent in management of power plants at various levels, and the Zambia Power Rehabilitation Project commonly referred to as 'PRP'. He is a member of the Engineering Institution of Zambia and registered with the Engineers' Registration Board of Zambia.
